

*Transport Policy and Planning
Scholarship Awardee*

• 2012-2013 •

Chen Jinchao

I am greatly honored and excited receiving the MATPP Scholarship, and honestly, this award is a little unexpected because transportation is not related to my bachelor major at all. I think this explains why MATPP is amazing-- it opens to all the students who are really interested in transportation like me.

Chen Jinchao (Full-time), graduated in 2013

Department of Geography, The University of Hong Kong
